Visitation Frequently Asked Questions

Who can visit?

Only 4 approved visitors, (17 and under must be accompanied by an adult; 13 and older must be on the approved visitation list) will be allowed to visit. Inmates must request the forms from staff and mail them out to the desired visitors. Inmates are allowed one visit per week.

How do I get approved for visitation?

USMS and County Inmates must request visitation forms from facility staff and mail them out to the requested visitors. Once the forms are completely filled out and mailed back in to the facility, they will be entered into the system and visitation will then be allowed, provided that the inmate is allowed visitation at the time of his/her housing unit visitation days.

ICE detainees do not need to submit visitation forms for visitors.

How do minors get approved to visit?

USMS and County inmate visitors ages 13 or older requesting visitations with an inmate must fill out an approved visitation form and mail it back to the facility. Ages 17 and under must be accompanied by an adult on all visits to the facility.

ICE detainee visitors do not need to mail a visitation form to the facility. If visitor(s) bring children (eighteen (18) years of age or under) they are expected to remain under the direct supervision of the adult visitor(s) so they will not disturb others who have visitor(s). Only two (2) adults and two (2) minor children (ages eighteen (18) and under) will be allowed to visit at a time, as space is limited.

How long does the application process take?

Approximately 2 weeks once we have received the applications back via the US mail.

How will I know if I've been approved?

The applicant should call the facility approximately 2 -3 weeks after mailing it to see if it has been received and if they have been entered into the system.

What are the days and times of visitation?
