Visitation Frequently Asked Questions

Who can visit?

Only five approved visitors, 12 years of age or older, at any time may visit an inmate in the visiting area. Children 11 years old and younger do not count against the five approved visitors.

How do I get approved for visitation?

Inmates may request up to fifteen copies once they reach the facility. Inmates are responsible for sending visitor applications to those family and friends they wish to be considered for placement on their visiting list. The completed visitor applications are to be sent to the Classification Department at the facility. The inmate you wish to visit must send you an application. An application must be completed by all visitors 12 years of age or older. The application form consists of two parts: Form numbers DC6-111A and DC6-111B. You complete and submit the DC6-111A. The DC6-111B is a visitor information summary, which should be reviewed and retained by the visitor.

How do minors get approved to visit?

Any minor 17 years of age or younger who cannot furnish proof of emancipation must be accompanied by an approved adult on the inmate's visiting list. Further, if you are not the parent, you must present a notarized document from the parent or legal guardian, not an inmate, giving you permission to bring the minor/child in to visit, regardless if the minor is approved. The visitor bringing the minor to visit cannot notarize the document. Minors 12 years of age and older must also undergo a background check and have an approved application on file.

How long does the application process take?

It takes approximately 30 days to process an application from the date it is received.

How will I know if I have been approved?

The inmate you are requesting to visit will receive a notice advising of the approval/denial of your visitation application.

What are the days and times of visitation?

Regular visiting is held on Saturdays and Sundays from 9:00 a.m. through 3:00 p.m. Eastern Standard Time. Registration begins at 8:15 a.m. on both days. Visitors will not be processed after 2:00 p.m. unless authorized by the duty warden. Visitors will be allowed to park in designated spaces no earlier than 7:30 a.m. EST on visiting days.

How long can I visit?

Visitors are allowed to visit between the hours of 9:00 a.m. EST and 3:00 p.m. EST. However, when the inside visiting park has reached its maximum capacity, the warden is authorized to utilize any of the following remedies to alleviate overcrowding:

- (a) Other temporary visiting areas or structures;
