

The Ethics Line

CoreCivic's Ethics & Compliance Office offers an Ethics Line, as a resource for **YOU** to:

- Raise concerns
- Ask questions
- Submit Compliance Solutions

The Ethics Line is available **24/7** at
www.corecivic.com/ethicsline
or you may call 1-800-461-9330.

Our goal is to create a **culture** where staff members can **raise concerns** at their facility, and to have those concerns received in a **professional manner**.
