Where a larger housing unit is broken into several individual smaller units such as pods, dorms, etc. the staff member must announce as he/she enters each of smaller individual units. **(115.215 (d))**

A verbal announcement upon arrival is required only when the status quo of the gender-supervision on the housing unit changes from exclusively same gender, to mixed- or cross-gender supervision. For example, a female Security Monitor entering a male housing unit or dormitory is not required to announce if there is already a female Security Monitor in the unit or dormitory.

These areas may be digitally obscured and monitored by either gender **(115.215 (d))**
10. Transgender/Intersex Viewing and Searches
 - a. The facility shall not search or physically examine a transgender or intersex resident for the sole purpose of determining the resident's genital status. If the resident's genital status is unknown, it may be determined during conversations with the resident, by reviewing medical records, or, if necessary, by learning that information as part of a broader medical examination conducted in private by a medical practitioner. **(115. 215 (e))**
 - b. The gender of the staff member searching a transgender or intersex resident will depend on the specific needs of the individual resident or resident and on the operational concerns of the facility. Under most circumstances, this will be a case-by-case

determination, which may change over the course of incarceration and should take into consideration the gender expression of the resident.

- c. There are three (3) options for pat searching and strip searching (if authorized by partner policy) transgender or intersex residents:
 - i. Pat searches conducted only by female staff;

 - ii. "Dual searches" where two different gendered staff search different parts of a resident's body are not acceptable.
 - iii. Searches of breasts shall be conducted using the back of the hand
 - iv. Requests for transgender residents to remove appearance related items such as prosthetics, clothing that may convey gender identity, wigs, and cosmetics shall be consistent with requirements for the removal of similar items for other non-transgender/intersex residents.
 - v. Strip searches (if authorized by partner agency policy) of transgender/intersex residents shall be made in a manner designed to ensure as much privacy to the resident as practical. Staff should consider the physical layout of the institution, and the characteristics of a transgender/intersex resident to adjust conditions of the visual search as needed for the resident's privacy.
- h. Transgender and intersex residents shall be given the opportunity to shower separately from other residents. **(115.242 (e))**
 - i. The degree of separation required is dependent on the layout of the facility, and may be accomplished either through physical separation (e.g. separate shower stalls) or by time phasing or scheduling (e.g. allowing a resident to shower before or after others).
 - ii. The number of separate showers per day and the time of day for showering separately may be limited due to facility physical plant and/or institutional need.

2. An administrative investigation into an allegation with potentially criminal behavior shall not be initiated by a facility investigator until the law enforcement agency responsible for conducting criminal investigations declines to accept the case or otherwise authorizes the facility to begin an administrative investigation. Administrative Investigations shall not interfere with criminal investigations being conducted by law enforcement and shall be coordinated with the investigative entity conducting that investigation.
3. All allegations of sexual abuse and sexual harassment shall be reported in the CoreCivic 5-1 CC Incident Reporting. If a resident expresses verbally or in writing that an allegation is "PREA" the allegation should be reported, investigated, and documented on a 5-1 CC Incident Report. The facility shall not utilize a screening process to determine whether an allegation/incident is or is not a valid complaint under PREA before an investigation has been initiated.
4. Facility administrative investigations into allegations of sexual abuse and sexual harassment shall be done promptly, thoroughly and objectively for all allegations including third-party reports and anonymous reports. **(115.271 (a))**

8. In any sexual abuse or sexual harassment investigation in which the facility is the primary investigating entity, the facility shall utilize a preponderance of the evidence standard for determining whether sexual abuse or sexual harassment has taken place. **(115.272)**
9. The facility shall retain all case records into allegations of sexual abuse, including incident reports, resident information, investigative reports, case disposition, medical and counseling evaluation findings, and recommendations for post-release treatment and/or counseling for as long as the alleged abuser is incarcerated or employed by the agency, plus five years. **(115.271 (i))**
10. CoreCivic is not a state entity or component of the Department of Justice responsible for investigating allegations of sexual abuse. **(115. 221 (g)(1)(2)) (115.222 (d)(e)) (115.234 (d)) (115.271 (k))**

O. CRIMINAL INVESTIGATIONS

3. If the contracting governmental agency utilizes an internal investigative process (e.g. a Department of Corrections Office of Inspector General) required by contract, statute, or regulation, that agency investigative process and policy will be followed for allegations of sexual abuse. **(115.222 (c)(d))**
4. The facility shall request through an MOU that the investigating entity follow the requirements of sections O.4.a. through O.4.e. below **(115.221 (f))**:
 - a. The investigating entity shall follow a uniform evidence protocol that maximizes the potential for obtaining usable physical evidence for administrative proceedings and criminal prosecutions. **(115.221 (a))**
 - b. The protocol shall be developmentally appropriate for youth where applicable, and, as appropriate, shall be adapted from or otherwise based on the most recent edition of the U.S. Department of Justice's Office on Violence against Women publication, "A National Protocol for Sexual Assault Medical Forensic Examinations, Adults/Adolescents," or similarly comprehensive and authoritative protocols developed after 2011. **(115.221 (b))**

The investigating agency shall offer all victims of sexual abuse access to forensic medical examinations, without financial cost, where medically appropriate or necessary for gathering evidence. Sexual Assault Forensic Examiners (SAFEs) or Sexual Assault Nurse Examiners (SANEs) shall perform such examinations where possible. **(115.221 (c))**

5. The facility shall cooperate with outside investigators and shall endeavor to remain informed about the progress of the investigation. **(115.271 (l))**
6. CoreCivic shall request (through an MOU or other communication) that entities conducting criminal investigations include the following in their policy and procedures:
 - a. Investigators shall gather and preserve direct and circumstantial evidence, including any available physical and DNA evidence and any available electronic monitoring data; shall interview alleged victims, suspected perpetrators, and witnesses; and shall review prior complaints and reports of sexual abuse involving the suspected perpetrator. **(115.271 (c))**
 - b. When the quality of evidence appears to support criminal prosecution, the investigating entity shall conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution. **(115.271 (d))**.
 - c. The credibility of an alleged victim, suspect, or witness shall be assessed on an individual basis and shall not be determined by the person's status as resident or staff. No agency shall require a resident who alleges sexual abuse to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation. **(115.271 (e))**
 - d. The departure of the alleged abuser or victim from the employment or control of the facility or agency shall not provide a basis for terminating an investigation. **(115.271 (j))**
 - e. Substantiated allegations of conduct that appears to be criminal shall be referred for prosecution. **(115.271 (h))**.

- f. Criminal investigations shall be documented in a written report that contains a thorough description of physical, testimonial, and documentary evidence and attaches copies of all documentary evidence where feasible. **(115.271 (g))**

- 2. In addition to the PREA Compliance Manager, the incident review team shall include upper-level facility management and the facility SART, with input from line supervisors, and investigators. Medical or mental health practitioners may be used if assigned on-site to the facility **(115.286 (c))**
- 3. Sexual Abuse Incident reviews review shall occur within 30 days of the conclusion of the investigation. The review team shall: **(115.286 (b)(d) (1-5))**
 - a. Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect, or respond to sexual abuse;
 - b. Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; LGBTI and/or Gender Non-Conforming identification, status, or perceived status; or gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility;
 - c. Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse;
 - d. Assess the adequacy of staffing levels in that area during different shifts; and
 - e. Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.
- 4. All findings and recommendations for improvement will be documented on the *14-2F-CC Sexual Abuse or Assault Incident Review Report* or required equivalent contracting agency form. Completed 14-2F- CC forms will be forwarded to the Facility Director, the PREA Compliance Manager, and the FSC PREA Coordinator/designee. **(115.286 (d)(6))**
- 5. The facility shall implement the recommendations for improvement or shall document reasons for not doing so. **(115.286 (e))**

Q. INCIDENT CLASSIFICATION

- 1. All allegations of sexual abuse and sexual harassment shall be reported in accordance with CoreCivic Policy 5-1 CC Incident Reporting. Following completion of the investigation, the allegation will be classified as follows:
 - a. Substantiated
An incident shall be classified as substantiated if the results of the investigation determine that the allegation did occur.
 - b. Unsubstantiated
An incident shall be classified as unsubstantiated if the results of the investigation determine that the evidence was insufficient to make a final determination of whether or not the allegation occurred.
 - c. Unfounded
An incident shall be classified as unfounded if the results of the investigation determine the allegation did not occur.

2. The Facility Director will determine the appropriate classification of the incident and ensure that the PREA Reporting form (refer to CoreCivic Policy 5-1 CC Incident Reporting) is completed and maintained with the incident packet.

R. RESIDENT NOTIFICATIONS

1. Following an investigation into a resident's allegation that he/she suffered sexual abuse at the facility, the resident shall be informed as to whether the allegation has been determined to be substantiated, unsubstantiated or unfounded. If the facility did not conduct the investigation, the relevant information shall be requested from the outside investigating agency or entity in order to inform the resident. **(115.273 (a) (b))**
2. Following a resident's allegation that an employee has committed sexual abuse against the resident, the facility shall subsequently inform the resident (unless the facility has determined that the allegation is unfounded) whenever: **(115.273 (c) (1-4))**

The signed *14-2E-CC Resident Allegation Status Notification* shall be filed in the resident's file. **(115.273 (e))**
5. The facility obligation to notify the resident as outlined in this section shall terminate if the resident is released from CoreCivic custody. **(115.273 (f))**

S. DISCIPLINARY PROCEDURES

1. Resident Discipline
 - a. Residents shall be subject to disciplinary sanctions pursuant to a formal disciplinary process following an administrative finding that the resident engaged in resident-on-resident sexual abuse or following a criminal finding of guilt for resident-on-resident sexual abuse. **(115.278 (a))**
 - b. Because the burden of proof is substantially less in a resident's disciplinary hearing than in a criminal prosecution, a resident may be institutionally disciplined even though law enforcement officials decline to prosecute.
 - c. Sanctions shall be commensurate with the nature and circumstances of the abuse committed, the resident's disciplinary history, and the sanctions imposed for comparable offenses by other residents with similar histories. **(115.278 (b))**
 - d. The disciplinary process shall consider whether a resident's mental disabilities or mental illness contributed to his/her behavior when determining what type of sanction, if any, should be imposed. **(115.278 (c))**
 - e. A resident may be disciplined for sexual conduct with an employee only upon a finding that the employee did not consent to such contact. **(115.278 (e))**

- f. Sexual activity between residents is prohibited in all CoreCivic facilities, and residents may be disciplined for such activity. Such activity shall not be deemed sexual abuse if it is determined that the activity is not coerced. **(115.278 (g))**
 - g. Residents who deliberately allege false claims of sexual abuse may be disciplined. For the purposes of a disciplinary action, a report of sexual abuse made in good faith based upon a reasonable belief that the alleged conduct occurred, shall not constitute falsely reporting an incident or lying even if the investigation does not establish evidence sufficient to substantiate the allegation. **(115.278 (f))**
 - h. The Facility Director or designee shall contact law enforcement to determine if a deliberately false accusation may be referred for prosecution.
 - i. If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to require the alleged perpetrator to participate in such interventions as a condition of access to programming or other benefits. **(115.278 (d))**
2. Staff Discipline
- a. Employees shall be subject to disciplinary sanctions up to and including termination for violating CoreCivic sexual abuse or sexual harassment policies. **(115.276 (a))**
 - b. Termination shall be the presumptive disciplinary sanction for employees who have engaged in sexual abuse. **(115.276 (b))**
 - c. Disciplinary sanctions for employee violations of CoreCivic policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the employee's disciplinary history, and the sanctions imposed for comparable offenses by other employees with similar histories. **(115.276 (c))**
 - d. All employee terminations for violations of CoreCivic sexual abuse or sexual harassment policies, or resignations by employees who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies. **(115.276 (d))**
 - e. Any volunteer or contractor who engages in sexual abuse shall be prohibited from contact with residents and shall be reported to law enforcement agencies and to any relevant licensing body. **(115.277 (a))**
 - f. Any other violation of CoreCivic sexual abuse or sexual harassment policies by a contractor or volunteer will result in appropriate corrective action up to and including restricting contact with residents and removal from the facility. **(115.277 (b))**
 - g. Neither CoreCivic, nor any other entity responsible for collective bargaining on CoreCivic's behalf, shall enter into or renew any collective bargaining agreement or other agreement that limits the company's ability to remove alleged employee sexual abusers from contact with any residents pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted. **(115.266 (a))**
 - h. Nothing in this requirement shall restrict the entering into or renewal of agreements that govern:
 - i. The conduct of the disciplinary process, as long as such agreements are not inconsistent with the provisions outlined above in and a preponderance of the evidence in determining whether sexual abuse or sexual harassment are substantiated. **(115.266 (b) (1))**
 - ii. Whether a no-contact assignment that is, imposed pending the outcome of an investigation shall be expunged from or retained in the employee's personnel file following a determination that the allegation of sexual abuse is not substantiated. **(115.266 (b) (2))**

T. COLLECTION AND USE OF DATA

5. CoreCivic will prepare an annual report of findings and corrective actions. Such report shall include a comparison of the current year's aggregated data and corrective actions with those from prior years and shall provide an assessment of the agency's progress in addressing sexual abuse. **(115.288 (a) (3) (115.288 (b))**
6. Specific material may be redacted from the reports when publication would present a clear and specific threat to the safety and security of a facility, but the nature of the material redacted must be indicated. **(115.288 (d))**
7. Before making aggregated sexual abuse data publicly available, CoreCivic shall remove all personal identifiers. **(115.289 (c))**

10. The agency shall maintain sexual abuse data collected pursuant to 115.287 for at least 10 years after the date of the initial collection unless Federal, State, or local law requires otherwise. **(115.289 (d))**
11. All case records associated with claims of sexual abuse, including incident reports, investigative reports, resident information, case disposition, medical and counseling evaluation findings, and recommendations for post-release treatment and/or counseling shall be retained in accordance with CoreCivic Policy 1-15 CC Retention of Records. **(115.287 (d); 115.289 (a))**
