AUDIT FINDINGS

NARRATIVE:

The onsite PREA audit of the Corrections Corporation of America - Adams County Correctional Center in Natchez, MS was conducted November 2-4, 2015 by Department of Justice Certified PREA Auditor Rodney P. Bivens. Prior to this audit the facility provided to the auditor all policies, procedures, and facility documentation related to each standard for review. The auditor and the PREA Coordinator had ongoing communication for several weeks prior to the audit to prepare for the on-site visit. The facility supplied a list of inmate names sorted by housing units, disabilities, and special designations, as well as a list of facility staff names to the auditor. From these lists the auditor selected, at random, a sampling of inmates and staff to be interviewed during the on-site visit. Due to the size of this facility the sampling size for both inmates and staff was elevated to ensure consistency in training and implementation of the PREA standards. The sampling size for inmates included at least one inmate from each individualized housing unit pod. This decision was made to ensure all inmates throughout the facility were receiving the same information and education related to all aspects of the PREA program.

The on-site audit began with an entrance meeting being conducted on Monday, November 2, 2015 at 8:20 a.m. in the administration conference room. The following staff attended the entrance meeting:

Warden David Berkebile
Assistant Warden of Operations LeRoy Pitts
Jose Rodriguez, Chief of Security
Frances Clark, Chief of Unit Management
Emilee Beach, Quality Assurance Manager
Senior Director Lisa Hollingsworth, Agency PREA Coordinator

Following the entrance meeting the entire facility was toured from 8:30 a.m. to 5:00 p.m. During the tour the auditor reviewed camera placement, blind spots, staff placement and documentation to assist in determining standard compliance. The auditor also conducted random inmate and staff interviews in private offices provided at each housing unit while touring. The following staff accompanied the auditor on the facility tour:

Warden David Berkebile

Jose Rodriguez, Chief of Security
 Emilee Beach, Quality Assurance Manager
 Senior Director Lisa Hollingsworth, Agency PREA Coordinator

All housing units, day rooms, inmate program areas, work areas and all other inmate accessible areas were toured. While touring several inmates and staff were questioned about their knowledge of PREA standards, procedures for reporting, services available, and their responsibilities. All staff and inmates informally interviewed during the tour acknowledged receiving training and procedures for reporting sexual abuse, sexual harassment and/or retaliation for reporting. A total of 42 staff members were interviewed during the course of this audit. Staff interviews consisted of: 15 correctional officers selected at random covering all shifts, 1 volunteer, 3 contract employees, 3 intermediate or higher level supervisors, 12 specialized staff and 8 employees informally selected during the facility tour. All staff interviewed was well versed in their respective areas of responsibility regarding PREA and affirmed compliance with the applicable PREA standards. There is no SAFE or SANE staff at the facility; they are made available at the Merit Regional Hospital in Natchez, Mississippi. Staff interviewed were well versed in their responsibilities in reporting sexual abuse, sexual harassment, staff negligence and retaliation for reporting. When questioned about evidence preservation, all staff responses reflected knowledge of agency policies and procedures.

A total of 35 inmates were interviewed during the on-site visit. These inmates consisted of: 21 inmates selected at random, 7 informally selected during the facility tour. There were 7 of the 35 inmates selected at random requiring specialized interviews broken down as follows: 0 hearing impaired, 0 vision impaired, 1 self-reported LBGTI, 1 self-reported prior victimization, 1 reported sexual abuse at facility, and 4 limited English proficient. All of the Inmates interviewed acknowledged receiving PREA training and written materials (posters, pamphlets, and inmates handbooks) outlining the agency's zero tolerance policies towards sexual abuse, sexual harassment, and retaliation for reporting, as well as the procedures for reporting. The disabled inmates interviewed confirmed receiving the PREA training and written materials in languages they could understand as well. All inmates interviewed felt if they had to file a PREA complaint the facility would respond appropriately to their complaint and staff take all PREA complaints very serious. The inmate that had reported an incident confirmed the facility had responded immediately and felt the incident was thoroughly investigated.

In the 12 months preceding the audit, Corrections Corporation of America - Adams County Correctional Center had received and investigated a total of five PREA complaints broken down as follows:

<u>Number Received</u>	<u>Description of Complaint</u>	<u>Offender</u>	<u>Investigative Results</u>
1	Sexual Abuse (Intentional touching)	Inmate	1 Unsubstantiated
1	Sexual Abuse (Contact and/or Penetration)	Inmate	1 Unfounded
1	Sexual Harassment	Inmate	1 Unsubstantiated
1	Sexual Abuse (Intentional touching)	Staff	1 Unsubstantiated
1	Sexual Abuse (Contact and/or Penetration)	Staff	1 Unsubstantiated

All investigative files the auditor reviewed during the onsite visit appeared to thoroughly document the investigation process per agency policy. All sexual abuse cases were referred to the Adams County Sheriff's Office and/or the Federal Bureau of Investigations who investigated each case for potential criminal activity. During the past twelve months there were no cases substantiated resulting in criminal charges.

At the conclusion of the on-site visit an exit meeting was held to discuss the audit findings. The following people were in attendance:

Warden David Berkebile
Assistant Warden of Operations LeRoy Pitts
Jose Rodriguez, Chief of Security
Frances Clark, Chief of Unit Management
Emilee Beach, Quality Assurance Manager
Senior Director Lisa Hollingsworth, Agency PREA Coordinator

During the exit meeting the auditor explained the process that would follow the on-site visit. The auditor also explained that all areas found to not meet the standards during the on-site visit must be corrected and he would be working closely with the PREA team to accomplish compliance. Finally the auditor acknowledged the willingness of all staff involved to accomplish PREA compliance and advised the PREA team of their requirements to post the final report on the facility website once compliance with all standards was achieved.
