- b. Deliberate False Allegations
- i. Residents who deliberately allege false claims of sexual abuse can be disciplined. For the purposes of disciplinary action, a report of sexual abuse made in good faith based on a reasonable belief that the alleged contact occurred shall not constitute falsely reporting an incident or lying, even if an investigation does not establish evidence sufficient to substantiate the allegation. (115.278 (f))
 - ii. The Administrator/Director or designee should contact law enforcement to determine if a deliberately false accusation may be referred for prosecution.
- c. Disciplinary Sanctions

Any volunteer or contractor who engages in sexual abuse shall be prohibited from contact with residents and shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies.
