Such examinations shall be performed by a SAFE or SANE where possible. If SAFEs or SANEs cannot be made available, the examination can be performed by other qualified medical practitioners. The investigating entity shall document its efforts to provide SAFEs or SANEs. (115.21 (c))
- d. The investigating entity shall attempt to make available to the victim a victim advocate from a rape crisis center. The investigating entity may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a

comparable level of confidentiality as a non-governmental entity that provides similar victim services. (115.21 (d))

- i. If a rape crisis center is not available to provide victim advocate services, the investigating entity shall make available a qualified staff member from a community-based organization, or a qualified investigating entity staff member, to provide these services.
 - ii. The investigating entity shall document efforts to secure services from rape crisis centers.
 - e. As requested by the victim, either the victim advocate, a qualified investigating entity staff member, or qualified community-based organization staff member shall accompany and support the victim through the forensic medical examination process and investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals. (115.21 (e))
5. In any sexual abuse or sexual harassment investigation in which the facility is the primary investigating entity, the facility shall utilize a preponderance of the evidence standard for determining whether sexual abuse or sexual harassment has taken place. (115.72)

P. INCIDENT CLASSIFICATION

All allegations of sexual abuse shall be reported in accordance with CoreCivic Policy 5-1 Incident Reporting.

1. Incident Classification

- a. Following completion of the investigation, the allegation will be classified as follows:
 - i. Substantiated – An incident shall be classified as substantiated if the results of the investigation determine that the allegation did occur.
 - ii. Unsubstantiated – An incident shall be classified as unsubstantiated if the results of the investigation determine that the evidence was insufficient to make a final determination of whether or not the allegation occurred.
 - iii. Unfounded – An incident shall be classified as unfounded if the results of the investigation determine the allegation did not occur.
- b. The Warden/Facility Administrator will determine the appropriate classification of the incident and ensure that the 5-1E PREA Reporting form (refer to CoreCivic Policy 5-1 Incident Reporting) is completed and maintained with the incident packet.

Q. INMATE/DETAINEE NOTIFICATIONS

1. Following an investigation into an inmate/detainee's allegation that he/she suffered sexual abuse at the facility, the inmate/detainee shall be informed as to whether the allegation has been determined to be substantiated, unsubstantiated or unfounded. If the facility did not conduct the investigation, the relevant information shall be requested from the outside investigating agency or entity in order to inform the inmate/detainee. (115.73 (a)(b))
2. Following an inmate/detainee's allegation that an employee has committed sexual abuse against the inmate/detainee, the facility shall subsequently inform the inmate/detainee (unless the facility has determined that the allegation is unfounded) whenever:

- a. The employee is no longer posted within the inmate/detainee's unit as a result of the findings of the investigation;
 - b. The employee is no longer employed at the facility as a result of the allegation;
 - c. The facility learns that the employee has been indicted on a charge related to sexual abuse within the facility; or
 - d. The facility learns that the employee has been convicted on a charge related to sexual abuse within the facility. (115.73 (c)(1-4))
3. Following an inmate/detainee's allegation that he/she has been sexually abused by another inmate/detainee, the facility shall subsequently inform the alleged victim whenever:
- a. The facility learns that the alleged abuser has been indicted on a charge related to sexual abuse within the facility; or
 - b. The facility learns that the alleged abuser has been convicted on a charge related to sexual abuse within the facility. (115.73 (d)(1, 2))
4. All inmate/detainee notifications or attempted notifications shall be documented on the 14-2E Inmate Allegation Status Notification. The inmate/detainee shall sign the 14-2E Inmate Allegation Status Notification, verifying that such notification has been received. The signed 14-2E Inmate Allegation Status Notification shall be filed in the inmate/detainee's institutional file. (115.73 (e))
5. The facility's obligation to notify the inmate/detainee as outlined in this section shall terminate if the inmate/detainee is released from CoreCivic's custody. (115.73 (f))

R. DISCIPLINARY PROCEDURES

1. Inmates/Detainees

a. Substantiated Incidents

- i. All inmates/detainees found guilty of sexual abuse shall be institutionally disciplined in accordance with the facility disciplinary procedures. (115.78 (a))
- ii. Because the burden of proof is substantially easier to prove in an inmate/detainee's disciplinary case than in a criminal prosecution, an inmate/detainee may be institutionally disciplined even though law enforcement officials decline to prosecute.
- iii. Sanctions shall be commensurate with the nature and circumstances of the abuse committed, the inmate/detainee's disciplinary history, and the sanctions imposed for comparable offenses by other inmates/detainees with similar histories. (115.78 (b))
- iv. The disciplinary process shall consider whether an inmate/detainee's mental disabilities or mental illness contributed to his/her behavior when determining what type of sanction, if any, should be imposed. (115.78 (c))
- v. An inmate/detainee may be disciplined for sexual conduct with an employee only upon a finding that the employee did not consent to such contact. (115.78 (e))
- vi. Sexual activity between inmates/detainees is prohibited in all CoreCivic facilities, and inmates/detainees may be disciplined for such activity.

Such activity shall not be deemed sexual abuse if it is determined that the activity is not coerced. (115.78 (g))

- b. Deliberate False Allegations
 - i. Inmates/detainees who deliberately allege false claims of sexual abuse can be disciplined.
 - ii. The Warden/Facility Administrator or designee should contact law enforcement to determine if a deliberately false accusation may be referred for prosecution.

c. Disciplinary Sanctions

If the facility offers therapy, counseling, or other interventions designed to address and correct underlying reasons or motivations for the abuse, the facility shall consider whether to require the alleged perpetrator to participate in such interventions as a condition of access to programming or other benefits. (115.78 (d))

AT THIS FACILITY, THE FOLLOWING INTERVENTIONS MAY BE AVAILABLE TO THE ALLEGED PERPETRATOR:

NONE

2. Employees

- a. Employees shall be subject to disciplinary sanctions up to and including termination for violating CoreCivic's sexual abuse or sexual harassment policies. Termination shall be the presumptive disciplinary sanction for employees who have engaged in sexual abuse. (115.76 (a)(b))
- b. Disciplinary sanctions for violations of CoreCivic policies relating to sexual abuse or sexual harassment (other than actually engaging in sexual abuse) shall be commensurate with the nature and circumstances of the acts committed, the employee's disciplinary history, and the sanctions imposed for comparable offenses by other employees with similar histories. (115.76 (c))
- c. All terminations for violations of CoreCivic sexual abuse or sexual harassment policies, or resignations by employees who would have been terminated if not for their resignation, shall be reported to law enforcement agencies, unless the activity was clearly not criminal, and to any relevant licensing bodies. (115.76 (d))
- d. Neither CoreCivic nor any other entity responsible for collective bargaining on CoreCivic's behalf shall enter into or renew any collective bargaining agreement or other agreement that limits the company's ability to remove alleged employee sexual abusers from contact with any inmates/detainees pending the outcome of an investigation or of a determination of whether and to what extent discipline is warranted. Nothing in this requirement shall restrict the entering into or renewal of agreements that govern: (115.66 (a))
 - i. The conduct of the disciplinary process, as long as such agreements are not inconsistent with the provisions outlined above in R.2.a-c. and a preponderance of the evidence in determining whether sexual abuse or sexual harassment are substantiated.
 - ii. Whether a no-contact assignment that is imposed pending the outcome of an investigation shall be expunged from or retained in the

employee's personnel file following a determination that the allegation of sexual abuse is not substantiated. (115.66 (b)(1, 2))

3. Civilians/Contractors

Any civilian or contractor who engages in sexual abuse shall be prohibited from contact with inmates/detainees and shall be reported to law enforcement agencies and to any relevant licensing body. Any other violation of CoreCivic sexual abuse or sexual harassment policies by a civilian or contractor will result in further prohibitions. (115.77 (a)(b))

S. POST INCIDENT CLASSIFICATION PROCEDURES

1. Once the investigation is complete, the necessity of filing any inmate/detainee "incompatible" or "keep separate" notices between the victim and perpetrator will be evaluated, such that the victim and perpetrator or potential perpetrator are kept separate while housed at the CoreCivic facility or recommend a transfer to another facility.
2. The predatory inmate/detainee shall be reclassified in accordance with the applicable classification procedures.

T. COLLECTION AND USE OF DATA

1. Internal

All case records associated with claims of sexual abuse, including incident reports, investigative reports, inmate/detainee information, case disposition, medical and counseling evaluation findings, and recommendations for post-release treatment and/or counseling shall be retained in accordance with CoreCivic Policy 1-15 Retention of Records. (115.87 (d)) **(ACI 4-4281-8; 4-ALDF-4D-22-8)**

a. Allegation Tracking

- ii. At least annually, CoreCivic shall aggregate the incident-based sexual abuse data. (115.87 (b))
- iii. The aggregated data will, at a minimum, include all categories of data necessary to respond to the Survey of Sexual Violence as directed by the Department of Justice. (115.87 (c))
- iv. Data collected for this purpose shall be securely stored and retained in accordance with CoreCivic Policy 1-15 Retention of Records. (115.89 (a))

2. External

- a. Upon request, CoreCivic shall provide all data as outlined above in T.1.a.ii.-iii. from the previous calendar year to the Department of Justice no later than June 30. (115.87 (f))
- b. Any requests for information from an outside agency or entity (excluding the contracting governmental correctional agency) regarding incidents of sexual abuse/harassment shall be forwarded to and reviewed by the FSC General Counsel or designee, and the FSC PREA Coordinator, prior to sending the response to the requesting entity.
- c. Public Access

- i. The FSC PREA Coordinator shall make all aggregated sexual abuse data available to the public at least annually through the CoreCivic website. (115.89 (b))
- ii. Before making aggregated sexual abuse data publicly available, CoreCivic shall remove all personal identifiers. (115.89 (c))

3. Data Review

- a. The FSC PREA Coordinator shall review all aggregated sexual abuse data collected in order to assess and improve the effectiveness of its sexual abuse prevention, detection, and response policies, practices, and training, to include:
 - i. Identifying problem areas;
 - ii. Taking corrective action on an ongoing basis; and
 - iii. Preparing an annual report of findings and corrective actions for each facility, as well as CoreCivic as a whole. (115.88 (a)(1-3))
- b. Such report shall include a comparison of the current year's data and corrective actions with those from prior years and shall provide an assessment of CoreCivic's progress in addressing sexual abuse. (115.88 (b))
- c. CoreCivic's report shall be approved by the company's Chief Corrections Officer and made readily available to the public through the CoreCivic website. (115.88 (c))
- d. Specific material may be redacted from the reports when publication would present a clear and specific threat to the safety and security of a facility, but the nature of the material redacted must be indicated. (115.88 (d))

U. QUALITY ASSURANCE COMPLIANCE

1. Internal Audits

The FSC Quality Assurance Department shall conduct an annual audit of all CoreCivic facilities to ensure compliance with CoreCivic policy, the PREA National Standards, and federal law and regulations.

2. External Audits

An external audit of all CoreCivic facilities shall be conducted every three (3) years to ensure compliance with this policy, the PREA National Standards, and federal law and regulations. The FSC Quality Assurance Department will coordinate all such external audits in conjunction with the FSC PREA Compliance Coordinator, to include all aspects of the audit process as outlined in this section.

- a. The external audit shall be conducted by any of the following:
 - i. A member of a correctional monitoring body that is not part of, or under the authority of, CoreCivic (but may be part of, or authorized by, the relevant state or local government);
 - ii. A member of an auditing entity such as an inspector general's or ombudsperson's office that is external to CoreCivic; or
 - iii. Other outside individuals with relevant experience.
- b. External Auditor Qualifications
 - i. All auditors shall be certified by the Department of Justice. The Department of Justice shall develop and issue procedures regarding the certification process, which shall include training requirements.

- ii. Each audit shall include a certification by the auditor that no conflict of interest exists with respect to his/her ability to conduct an audit of CoreCivic.
 - iii. No audit may be conducted by an auditor who has received financial compensation from CoreCivic (except for compensation received for conducting prior PREA National Standards audits) within the three (3) years prior to CoreCivic's retention of the auditor.
 - iv. CoreCivic will not employ, contract with, or otherwise financially compensate the auditor for three (3) years subsequent to the company's retention of the auditor, with the exception of contracting for subsequent PREA National Standards audits.
- c. The Audit Process
- i. The auditor shall review all relevant company-wide policies, procedures, reports, internal and external audits, and accreditations for each facility type.
 - ii. The audits shall review, at a minimum, a sampling of relevant documents and other records and information for the most recent one (1) year period.
 - iii. The auditor shall have access to, and shall observe, all areas of the audited facilities.
 - iv. The auditor shall be permitted to request and receive copies of any relevant documents (including electronically-stored information).
 - v. The auditor shall retain and preserve all documentation (including, e.g. video tapes and interview notes) relied upon in making audit determinations. Such documentation shall be provided to the Department of Justice upon request.
 - vi. The auditor shall review a sampling of any available videotapes and other electronically available data (e.g. Watchtour) that may be relevant to the provisions being audited.
 - vii. The auditor shall interview a representative sample of inmates/detainees and employees (to include supervisory staff).
 - viii. The auditor shall be permitted to conduct private interviews with inmates/detainees.
 - ix. Inmates/detainees shall be permitted to send confidential information or correspondence to the auditor in the same manner as if they were communicating with legal counsel.
 - x. Auditors shall attempt to communicate with community-based or victim advocates who may have insight into relevant conditions in the facility.
- d. Audit Report and Findings
- i. Audit reports shall state whether company-wide policies and procedures comply with relevant PREA National Standards.
 - ii. For each PREA National Standard, the auditor shall determine whether the audited facility reaches one of the following findings:
 - Exceeds Standard (substantially exceeds requirement of the standard);

- Meets Standard (substantial compliance; complies in all material ways with the standard for the relevant review period); or
 - Does Not Meet Standard (requires corrective action).
- iii. The audit summary shall indicate, among other things, the number of provisions the facility has achieved at each grade level.
 - iv. Audit reports shall describe the methodology, sampling sizes, and basis for the auditor's conclusions with regard to each standard provision for each audited facility, and shall include recommendations for any required corrective action.
 - v. Auditors shall redact any personally identifiable inmate/detainee or employee information from their reports, but shall provide such information to CoreCivic upon request, and may provide such information to the Department of Justice.
 - vi. CoreCivic will ensure that the auditor's final report is published on CoreCivic's website in order to be readily available to the public.
- e. Audit Corrective Action Plan
- i. A finding of "Does Not Meet Standard" with one or more standards shall trigger a one-hundred-eighty (180) day corrective action period. The auditor and CoreCivic shall jointly develop the corrective action plan to achieve compliance.
 - ii. The auditor shall take necessary and appropriate steps to verify implementation of the corrective action plan, such as reviewing updated policies and procedures or re-inspecting portions of a facility.
 - iii. After the one-hundred-eighty (180) day corrective action period ends, the auditor shall issue a final determination as to whether the facility has achieved compliance with those standards requiring corrective action.
 - iv. If compliance with each standard is not achieved, the FSC PREA Compliance Coordinator may request a subsequent audit (at its discretion and cost) once it is believed that compliance has been achieved.
- f. Audit Appeals
- i. An appeal may be filed with the Department of Justice regarding any specific audit finding believed to be incorrect. Such appeal must be filed within ninety (90) days of the auditor's final determination.
 - ii. If the Department of Justice determines that there is good cause for a re-evaluation, CoreCivic may commission a re-audit by an auditor mutually agreed upon by the Department of Justice and CoreCivic. CoreCivic shall bear the costs of this re-audit.
 - iii. The findings of the re-audit shall be considered final.
- V. UPGRADES TO FACILITIES AND TECHNOLOGIES
- 1. When designing or acquiring any new facility and in planning any substantial expansion or modification of existing facilities, CoreCivic will consider the effect of the design, acquisition, expansion, or modification on the company's ability to protect inmates/detainees from sexual abuse. Such considerations shall be documented on form 7-1B PREA Physical Plant Considerations. (115.18 (a))

2. When installing or updating a video monitoring system, electronic surveillance system, or other monitoring technology, CoreCivic will consider how such technology may enhance the ability to protect inmates/detainees from sexual abuse. Such considerations shall be documented on form 7-1B PREA Physical Plant Considerations. (115.18 (b))
